

The way this bill is written, makes it really difficult for anti-trafficking organizations to provide education and resources to students in public schools on what human trafficking, family & dating violence, and child abuse are. Anti-human

trafficking organizations now have more obstacles to pass, censoring of curriculum to do—leaving out vital information, to win the approval of a board of trustees. Making amendments to this bill is strongly recommended.

IMPACT TX SB9

BY SEN. ROYCE WEST + REP. RAFAEL ANCHIA

Relating to public school instruction and materials regarding the prevention of child abuse, family violence, dating violence, and sex trafficking and the adoption of public school policies to prevent dating violence.
