## OUR HISTORY

A 2nd Cup launched in 2011 by Founder, Erica Raggett after learning about the realities of human trafficking in Houston. Traveling around the city serving coffee and raising awareness about human trafficking for 4 years, A 2nd Cup then opened its brick-and-mortar location in October of 2015, expanding the breadth and depth of the three-pronged mission. In 2018, A 2nd Cup launched a culinary training program for survivors of human trafficking called Brazen Table.

## EDUCATE

Since opening in 2015, A 2nd Cup has utilized infographics, educated baristas and over **350** on-going awareness events to educate over **78,000** unique customers about human trafficking.

## PARTNER

A 2nd Cup works alongside many other anti-trafficking groups in Houston to strategically bring an end to human trafficking. A 2nd Cup has connected over **4,000** customers with the broader anti-trafficking community.

## PROVIDE

A 2nd Cup utilizes its resources to provide investment in aftercare for survivors of trafficking. Over **\$97,000** of financial and in-kind donations have been provided to its anti-trafficking allies. In 2018, A 2nd Cup created their own aftercare service for survivors -- Brazen Table.

## BRAZEN TABLE

Brazen Table is a culinary training program for survivors of human trafficking, equipping them with basic employability skills, culinary and hospitality skills, and empowering them to confidently enter the workforce.

Brazen Table has graduated two classes since 2018 and continues to walk alongside survivors as they rebuild their lives.
